

Anomaly type	Example
Definite NPs	
Determiner problem	the little girl eating something and <i>the hand</i> up in the air.
False definite	well he's washing up <i>that thing</i> .
Pronoun problem	and if she's lucky she'll get <i>that</i> from him.
Vague/nonsensical	she's drying dishes but I don't get the connection between <i>the picture outside</i> .
Word choice	the kid's just about ready to let go there and fall on his back or his head off <i>the ladder</i> .
Indefinite NPs	
Determiner problem	Looks like she is eating something like <i>apple</i> .
Unclear reference	I was just looking outside to see whether there was <i>any difference</i> .
Word choice	<i>Curtain</i> looking out on to the garden.
VPs	
Action Naming	But in doi~ because his stool's about <i>to thing</i> all the cookies are beginning to come out.
Adjunct problem	Well that would be the cupboard I suppose <i>in the tin</i> .
Tense	And I guess this must be the wife although it might not be because <i>maybe that was an apron and maybe this was the there</i> .
Syntax	The little boy is going up into the cookie jar but the he's on the top of the chair that he's gonna fall off <i>since it's tipping over the water that's also on the floor that's coming out of the sink</i> .
Vague/nonsensical	And the dishes might get falled over if you don't fell fall over there if you don't get it.
