

Figure S1: Anonymous Questionnaire among pregnant women in Frimley NHS Trust

COVID-19 Vaccine in Pregnancy- Patient Survey

Frimley Health is conducting a short survey to understand pregnant women's attitudes towards, and opinion of, the COVID-19 vaccine. We would be really grateful if you would take a couple of minutes to complete this brief survey. If you would prefer to complete this survey on your phone or other mobile device please scan the QR code above. This survey is completely anonymous. Thank you in advance for your time!
