TELSON Tutors questionnaire

Thank you for agreeing to complete this survey, which aims to capture your experiences of participating in the teaching sessions using scenarios in PBL and TBL. You will be asked a series of questions about the teaching activities and how you felt as you were taking part in the session.

The results from this survey will be used as part of a research project called 'TELSON'. By completing the survey you will be agreeing to your responses being used for this research. Your participation is voluntary, and you are free to withdraw at any time by not submitting the survey responses, without giving reason and without penalty. Your response will be anonymous, and the research team will not identify you by name in any reports using information obtained by this survey. By submitting the survey, you agree to the use of your comments being used as anonymous quotes in publications relating to this research
