

Supporting Information Figure S2a Average Annual Percent Change (APC) in Age-Adjusted Cancer Incidence (2014-2018)

Supporting Information Figure S2b Average Annual Percent Change (APC) in Age-Adjusted Cancer Mortality (2014-18)

Data: State Cancer Profiles, National Institutes of Health, National Cancer Institute: www.statecancerprofiles.gov (32)

Horizontal axis: Annual percent change (APC) in (1A) incidence or (1B) mortality for all races combined.

Red bars: Statistically significant increase (APC>0%) in incidence (1A) or mortality (1B) over time.

Blue bars: Statistically significant decrease (APC<0%) in incidence (1A) or mortality (1B) over time.

White bars: No significant APC.
